

MR BLAKE

Possible item for the 0840 meeting with Mr Brownman.

On Saturday morning, 30 June 1973, [ ]  
[ ] called me at home to ask if I knew where Dr Schlesinger's signature template was as the Pentagon needed it as soon as possible to send out invitations. She said he was to be sworn in as SecDef on Monday 2 July.

I called our Personnel Duty Officer who is on duty in the Office of the Director of Personnel on Saturday mornings and advised her that it was in the Position Inventory Vault and to get it and take it to Barbara. Barbara called again to confirm she had it.

STAT

P.C. We have two templates with Dr Schlesinger's signature and will turn the other one over to his secretary as soon as we complete our signing of the retirement certificates.
